“And when they were come to the place, which is called Calvary,
there they crucified him...”

Luke 23:33

A few miles outside of the town of Rugby in England, lies the small town of Daventry. For nearly 100 years there have been **radio communications broadcast from masts at Borough Hill**, just on the outskirts of the town.

Another hill, **Calvary**, where Jesus Christ died on the cross, has been communicating God’s message of love for 2000 years. Although we have put ourselves at a distance from God by the wrong that we have done, He willingly gave His Son to die to make a way of escape. The kindness of God in wanting you to have a relationship with Him is **the greatest message** you could ever hear!

Many people have made use of the radio broadcasts coming from Borough Hill. Likewise, **millions have received eternal life** through the death and resurrection of Jesus Christ. You can be one of them by repenting today and trusting Jesus Christ to save you from your sin and gift you eternal life.
